I am a witness against FISA abuse used for racketeering, ie. a FISA warrant used to run a criminal operation that pillages the national treasury. I have had all attempts to reach the office of the attorney general obstructed. I am a witness against a criminal organization designed by Sally Q. Yates and her statements about her intentions to take over the government by any means. Following Yates racket, I am a witness against a criminal organization under John Huber and that she and others claimed he was part of the racket Sally Yates designed. I am a witness against several of the individuals under investigation in the FISA abuse against our president in that Sally Yates named some of them as co-conspirators, likely co-conspirators, etc.
All my many attempts to report this racket and get protection and relief have been obstructed no doubt by the spies

All my many attempts to report this racket and get protection and relief have been obstructed no doubt by the spies and officials running the operation. You will likely not be able to reach me. The best way may be to track me maybe by my phone 801-989-4460. I have had to abandon my job and home repeatedly to avoid this criminal organization. I have driven to the New England area and am currently between Baltimore and D.C. in my van registered in Ogden, UT. All of my attempts to reach an attorney are also obstructed. I need relief, and protection.
