Mr. Schulow,
March 7 2017

I am a witness against Sally Quinn Yates and a massive witness appearing in the FBI. I have testified numerous times & courted you and before I have evidence that the D.O.J. has hacked your website & ghosted a response to keep me from reaching you. Sally has used her power to hold me in her facilities jail in jail for her power to hold 9 years to keep me from testifying. 9 months in a both ward though I'm not psychotic. They have destroyed my life and continuously prevented my success which I have well documented.

I have read your book "Undermountain" and believe I have the case to prove the issue & corruption you are guilty of in the IRS and D.O.J. as well as follow the actions you describe in regards to these departments.

I believe some of the statements S.Q. Yates has made to me are relevant to the investigations the D.O.J. has ongoing over spying on American Citizens & spy banks (Trump Plan) but she charged me with RICO (several times) and limited me to join a group that was taking over the world. I used scripture to bring her down when I realized I had been charged; trying to go along (But only to find out who she was and what her) & that is self defense!

My phone is constantly hacked and rendered useless for any purpose other than that which those cranks want to accomplish. If you do not have a Keisler answering your phones, then this obstruction has prevented me from reaching you numerous times via phone.

I've lost my home and all my property but do struggle to work as a self driver for SUBT (Amputation) with constant harassment to prevent my success. I doubt you could do able to reach me by phone and internet is hacked for reasons mentioned (Cyber attacks).

Swift in Salt Lake City UT is my headquarters. My trial is #172666 and my office code is BREF2. I live in the truck @ this point and face a constant attempt to have me committed when I try to speak up. I have driven my car to your DC office and then unable to reach anyone there. Guess to go to Ed. I would stop trying to reach you if I knew you were not involved in my case.
