I am very much by this racket and not able to secure a better residence for myself at you wanted to. Also feel free to put out a clue on Fox news that if I again quit my job and travel to Washington that I will not be rejected at the door of every agency that should be welcoming me and offering relief. I have attempted to support and hire Sekulow countless times but my attempts are intercepted, exactly as Sally Yates said they would be by Keysia (Key Special Intelligence Agent).
