I need a copy of this - Unable to print proof of what I wrote, having to do it again on video.
Rep Fedorchak, I am a critically important unheard witness against the criminal who led the attack against Trump and America. I "stung" Sally Yates using FISA to run organized crime before the nation knew what FISA was. During the course of me "stinging" Yates, she told me she would sabotage

prosecutor who has seen it that they can line their pockets by advancing a racket. I find myself under a perpetual FISA warrant with my attempts to come forward constantly intercepted. I'm on the news on Minot's trending topics on Facebook. I've had billboards up in Minot for months and a website with the evidence on Rumble under the handle Ferris Broxton. Please help me be heard and change this website so people contacting you can print what they have written. The FBI has already been exposed for altering E-mails!

During the course of me "stinging" Yates, she told me she would sabotage Trump by whatever means necessary. Further she told me "we" were taking over (the government) by whatever means necessary. Yates had a puppet making a video while I conducted the "sting" and after he drugged me with Rohypnol. This video has obviously convinced every Federal Judge and prosecutor who has seen it that they can line their pockets by advancing a racket. I find myself
