Good afternoon, Mr. Broxton and Mr. James –

In checking with our team, the message below was sent on February 6. Please doublecheck your email and let me know if indeed you received it. This message was sent in response to the meeting form you filled out on January 10, 2025. We have no record of receiving an online meeting request form before or after that date (<https://www.governor.nd.gov/request-appearance-governor-kelly-armstrong>) though I do believe a voicemail message was also received. Again, thank you for your time and the information you shared with me last week. Should leadership reconsider the response below, Connie will reach out to you directly.

Kind regards,

Dawn

Dawn Seay
